K of C newsletter

I was asked to speak to you in March about the topic of "Spirituality". I began with stating that in my view, spirituality is our individual relationship with God. That relationship deepens, grows, and continues to develop comparable to any human relationship. Our relationship with God started with Him, as He first loved us/me. It is up to each of us then, to respond to that love. The Sacraments, private prayer, devotions, acts of charity, almsgiving, gathering in fraternity, prayer with family and spouse, are ways that we respond to that love. As with any human relationship, the more we respond to God, continue to be aware of His presence with us ALWAYS, and understand and feel his love, the deeper the relationship. If we feel that our relationship with God has weakened, it is because we have moved from God and not God from us. "God so loved the world that he gave us his only Son..." (John 3:16). Keep on participating at Mass, receiving Eucharist, praying alone or with others, working on council fund raisers and other projects, being in fraternity with one another. Be present to and with your families and pray with them. Any spiritual action or corporal work of mercy you choose to do will deepen your relationship with God and increase your love for God. It will not be time wasted.

Happy Lent...Happy Easter...and Happy Spring. As I write this, I have just returned from our annual Florida trip, where the temperatures were in the 80s and spring training was in full swing. Ah Springtime...the last quarter of our fraternal year. And we had a great last quarter, with the Fish Fries, St Patrick's day dance, sub sale, Knights adoration night, providing bibles to the RCIA candidates, rosaries to the First Communicants and many other activities. This quarter, we have Measure Up coming up on the first Saturday in May and we are also looking to purchase an AED unit similar to the one in the church, for the Ministry center. Since this wasn't in the original budget, it has to be addressed here. I anticipate the cost for the unit and accessories to be about \$1800.

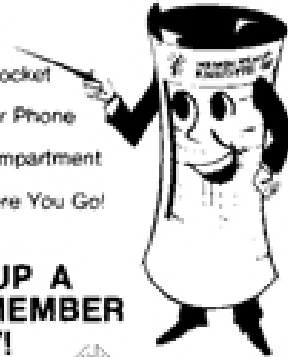

If your interested in getting involved on the officer level and you are a 3rd degree Knight, contact Matt Tyack, our Deputy Grand Knight for more information. Matt is heading up our nomination committee for this coming fraternal year's officers.

We are involved in many activities, but we could be doing more for our church and community. If you have a project, bring it to my attention. How about someone chairing a Father – Daughter dance in the Fall ? Let me know.

Our Council has already earned 1300 points out of the 1500 required to max out the State Program again this year. Our Council is so active, and we have so many activities, that I'm not able to put all of our activities into a State Program report. This past year we put on family fun nights, fish bakes, coffee and donuts, pancake breakfasts, a family picnic, corporate communion, nights of adoration, breakfast with Santa and the St. Patrick's Day dinner/dance, we're purchasing an AED for the ministry center, we financially supported other ministries, etc. I could go on, but there's obviously not enough room here to list everything we've done. The fraternal year is starting to wind down (though we have our big Measure Up campaign yet to come). If you have an idea for an activity you would like to see your Council undertake for the fraternal year starting July 1, please tell me.

Thanks to those who served as directors this year: Jim Walsh (Church program), Ray Drum (Family program), Rich Baytosh (Council program), Mike Goetz (Youth program) and Bill Pederson (Membership program). If you're interested in serving as a director next year for one of these programs (we're not limited to one director) or for the Community program, please contact me for more information.

Most important, I ask you to please get involved in a program or activity (we have so many, I know there's one for you). Our Council does many great things for our Parish, for vocations and for the community generally through our extensive charitable work, but we need the help of as many Brother Knights as we can to make as big of an impact as possible. Thank you for all your support!

Many thanks to all who were right there with me and my wife's family. The beginning of 2009 has been tough with the illness and loss of her dad. All prayers and sympathies were dearly appreciated.

A quick note to all who have not participate in our annual St. Patrick's Day party. You really do not know what you are missing. The food, drink, and music are great! Be sure not to miss out next year and bring friends. Joy and I invited a bunch of neighbors and all had an extremely good evening out!

Another event that we are trying to establish as a regular event is our monthly Family Nights. This is another great activity that you might be missing out on! Last month we had about 50 people there. We hope this event continues to grow in participation so we can vary the activities even more. Come and join the fun and family fellowship!

As our Council 1st Degree team captain, I invite you to one of our degrees over the next three months. We will have 2 degrees at Resurrection (April 2 and June 4) We have also been asked to do a degree on May 2nd at Cherry Valley Lodge as part the events surrounding the 4th Degree exemplification that weekend.

One final note is that we are looking for good men to assist more in Council Leadership for the up coming fraternal year(s). Please consider becoming a council officer, Activity coordinator, or a program section chairmen. Many hands make light work! Exemplify all that is good during the rest of the Fraternal year!

St. Gabriel Catholic Radio Now Reaches all of Central Ohio! Tune into 1580AM

St. Gabriel is now 1580 AM. What a blessing to be able to provide a clear signal that will now reach all of Central Ohio. Rejoice!

Of course this exciting news would not be possible without *you*, our faithful supporters, generous benefactors and volunteers. Thank you. By sharing your gifts, we are now able to provide good, solid Catholic programming to nearly 2 million people.

Although this is joyful news, now is not the time to just *hope* that people will listen. We need you to help us get the word out to our family and friends.

- Personally invite others to tune in
- Listen to the station when driving with others
- Stop by and pick up a magnetic bumper sticker to put on your car. It might be just the invitation that someone needs. (Stickers will be available after January 1st).
- Consider advertising your business on St. Gabriel Radio. By doing our part, we can help more souls on their journey to know, love, and serve God.

Mark Steele
The St. Gabriel Team

P.S. Like all AM stations, the daylight signal is much stronger than the night-time signal. During daylight hours the new signal reaches Newark, Lancaster, Mount Vernon, Marion, Marysville, and Circleville and, after dusk, the signal reaches those inside the I-270 outer belt.
