K of C newsletter

We are now in a natural season of change. The green leaves are becoming red, orange, and yellow, and then will be brown. The days are shorter and thus the nights are longer. Temperatures are slowly dropping. Today's low could be tomorrow's high. As we see the change in nature, can we see a change in our lives, related to the spiritual? This is a question that can be answered individually. I think we go through highs and lows in our relationship with God. There are days when we are close; there are days when we are distant. These highs and lows can be related to what is happening inside us and around us. Challenges occur; our routine schedules get adjusted; a crisis occurs. We may feel that we are "losing control" and God is not with us. . The reality is that the "planned life/day/event/situation" we anticipated has not become a reality. Thus we "die/let go" to an ideal and "rise/let God" to the real. God is with us. We experience a change and perhaps realize that an adjustment was made inside us, God was present, we do survive, and life has been changed and not ended! The spiritual part of our lives has been renewed. We now see nature changing before us not ending. We know by experience that

Fr. Jerry Rodenfels

nature will "spring" back to life within 6 months. May each of us continue to know in our lived experiences, connected to our relationship with God, that we too will "spring back" should we ever "fall"!

Brothers,

We are entering the exciting part of our fraternal year, with Thanksgiving and Christmas only a few months away. We have many activities planned and only through your support and participation will these be successful. The Knights are here to support Father, our church, and our community.

On Tuesday, October 13th, at 7:30pm in Room 103, Father Jerry will again be joining us for an informal discussion and Q&A. Where else can we as men have a discussion with your Parish Priest. He is taking his time to be with us...let's have a great showing for him. Why not attend mass at 7pm also.

As I mentioned, we have a lot of activities coming up in the next few months. On Sunday, Oct 18th we will be hosting another Pancake breakfast for the parish. Ryan Pederson will again be chairing this event and we may even have blueberry pancakes. On Sunday, Oct. 25th, I'm looking for a few good men (and spouses) to join me in serving a meal at Bryden House.

Nov. 23rd, we again looking for a few good men to help Jim Noe out with the Turkey Toss in Vinton County. Check with Jim Noe if you can join us.

And if you have nothing to do on Thanksgiving Day, you can join Paula and I in serving Thanksgiving Dinner at the Bryden House.

Dec. 5th is Breakfast with Santa and thanks to Mike Goetz and Sean Morrissey, it should be bigger and better this year.

If you need more information, please drop me an email and I'll help you out, or give me a call.

Vivat Jesus !

I wanted to make you aware of an "Honor Flight" taking place in Columbus, next week. What is an Honor Flight...well rather me describing it to you, I will give you the link to find out about it.

<http://www.honorflight.org/index.cfm>

Several members from the Westerville council will be on the flight and a member of the Msgr. Grimes Assembly is also making the journey. The flight is Saturday, Oct 10th. We are asking you to welcome these World War II veterans home, by being present at Port Columbus when they return. They will be on a charter flight from Southwest, returning at 8:45pm Flight 8284. Paula and I plan on being there, as both our fathers were World War II veterans. Please join us if you can.

Not only am I honored to be your DGK, but I also have the pleasure to serve as our Council's Program Director. I am proud to announce that our Council was one of only two Councils in the entire Columbus Diocese that maxed the State Council Program the last fraternal year. Thank you to all of you who helped make this honor possible by helping out with an event or Council Program, and especially thanks to those of you who stepped up to the plate to chair an activity. I am also pleased to announce that our Council was awarded both The Columbian Award and The Father McGivney Award from the Supreme Council. All these honors are a testament to what an active and effective Council we have. The State Council has greatly changed the State Program this year. While it will be much more difficult to max out the State Program from now on, we will continue to do our best to fulfill as much of the State Program as we can. Please get involved in a Council Service Program (Church, Community, Council, Family or Youth), get involved in an event, head up an activity that is close to your heart, or help us start up a new event that you may have in mind. With as many activities as our Council puts on, I know there is an activity that would be up your alley. We are also looking for Brothers to step up and chair the Council Programs this fraternal year. If you're interested in chairing a Program, please contact me. Also, please see the below list of upcoming events. If you are interested in volunteering to help out with any of these upcoming activities, please contact me. Lastly, we have blue polo shirts embroidered with our Council logo for sale. Just contact me if you are interested in purchasing one.

Brother Knights, the 2008-2009 fraternal year was a great and sad year for our Council. We increased our membership significantly and we also lost members as well. May the souls of Tony, Nick, Paul, Vince, and Tim rest in peace and watch out over all the rest of our Council efforts.

We have also unfortunately lost more members due to suspension for non-payment of dues. We are part of the largest fraternal organization in the world and the one with the largest amount of growth. There is no reason that any Catholic gentlemen should ever leave the order. We all should have extreme pride in the good done by our organization including assisting Brother Knights that may need help with their dues.

While we wish all council members could be active in all council activities, we all have very busy lives and families. Being a good Knight means being a good Catholic husband and father first along with paying your dues. Paying your dues on time is the best way to help the council. It saves the council officers and organizers hours of effort that can be directed towards our Fraternal and Charitable activities.

We are in the process of collecting names to order name badges for the council members. If you need a badge please contact me. Also do not forget that the council has blue polo shirts that you can purchase to wear your pride in your council and order.

God bless and make it a wonderful Summer 2009!

Gentlemen,

I hope this newsletter finds you having an enjoyable summer. If you and your family are traveling I bid you safe travels. If you are staying around the area I encourage you and your family to attend some family functions of the church and the Knights of Columbus.

I have caught up on the business side of the Knights of Columbus and everyone that has paid should have their cards. I ask that if any information is incorrect on the cards, it is due to the new member management system the K of C went to this year, to please email me and I

will correct it in the system. If you have not paid your dues and you are one year behind the council is still looking for your payment and would appreciate your attention to this bill so that we can continue to support the community. If you are over 2 years behind in dues your name has been submitted to Supreme to be suspended from the order. If it is your intention to continue in the order please contact me ASAP and I can stop this process and work with you to receive payment.

Lastly I want to thank everyone for their patience and support during this first term for me. It was a tough one with the new system in place but we got through it. I look forward to seeing you at future meetings and events. Have a safe and happy rest of the summer.
