K of C newsletter

Summer is here, and it tends to flee all too quickly after the 4th of July. Family vacations, family gatherings, being with friends, catching up on household tasks, responding to a “honey do” list, are some ways that we live our lives during this season. One weekly task that some of you may enjoy, or abhor, is cutting the grass!!! I have done it since I was a kid. There were no statements in the 1950’s related to what age a young person should start using a gasoline powered lawn mover. I think today it is age 14. A reflection related to cutting the grass came to me. Grass grows continuously, unless it has no water. Grass is green. It demands attention. Our faith grows continuously after the waters of Baptism. How do we keep it nourished? The other Sacraments help, especially Eucharist, which can be received daily. Green in the church symbolizes the virtue of hope. We live in hope for many things, the end of the work day, a weekend, a vacation. By faith, we live in the hope of the resurrection of the dead. Our faith demands and needs attention. Our lives of faith are nourished not only by the Sacraments, as stated above, but also by fraternity, and charity, elements characteristic of the Knights of Columbus, and elements of our community

Fr. Jerry Rodenfels

of believers: the church. As each of us continues to live these summer months and cut the grass, may be mindful of our continual challenge to grow in faith, nourish it, and give it the attention it needs.

Well, as Father has said, summer is here...and the living is easy. It is easy for some as the pace slows down during the summer months. It maybe a time of relaxation for some, but for others, it continues to be a stressful time. Several of our council brothers are unemployed and looking for work, while others are having to deal with medical issues. Please remember them in your prayers.

In keeping with the Order's longstanding "In Solidarity With Our Priests" campaign, the Supreme Knight has called upon all Knights to actively participate in the "Year for Priests" declared by Pope Benedict XVI. The centerpiece of the Order's program for this yearlong celebration (June 19, 2009 – June 19, 2010) is a new holy card featuring a prayer for priests. This prayer may be used at all council meetings and events, as well as in the homes of members during their family prayers. The card features an icon, written by Marek Czarnecki (www.seraphicrestorations.com), showing Christ in Mass vestments with a gold pelican over his heart, the ancient symbol of self-sacrifice. At the bottom of the icon is an altar prepared for Mass, and at the sides are Melchizedek, whose sacrifice of bread and wine prefigured the Eucharist, and St. John Vianney the patron of parish priests. The back of the card includes a prayer for priests. I plan to order a sizable quantity not only for our council brothers, but for the parish in general. Please join me this year in praying for Father Jerry, Deacon Byron and Deacon Bob as they minister to our parish family.

July 1st is the start of our new fraternal year. Thank you for your support during the past year. Through the efforts of many brothers, we

again had an outstanding year, where we were able to help many individuals including a brother's family, several ministries and our parish community.

Matt Tyack, our Program Chairman and DGK, assures me that this year will be even better. He's working on some new programs to get the brothers involved in helping their church, community and their council.

The Knights will again be cooking for the Annual Church Picnic on Saturday, August 15th, after the 5pm mass. It's a good way to meet new council members and to also meet your fellow parishioners. Be part of the fun !

Join us for a Knight's Night of Adoration on Saturday, Aug. 22. Check with Bill Pederson for more information or check our web site at www.kofc10941.org

For your review and approval at the next meeting, the proposed budget for the year is attached at the bottom of this newsletter.

May you have a safe summer and may God bless you and your families.
Vivat Jesus !

As your Program Director, I am pleased to announce that our Council once again maxed the State Program. We received the maximum possible 1500 points that we could earn from the State Council. Having a Council that is as big and active as ours made it easier to achieve this impressive goal. Thanks to everyone who helped out with an event during the last fraternal year, and especially thanks to those of you who stepped up to the plate to Chair an activity. The new fraternal year has already started and we would like to max the State Program three years in a row, so please get involved in a Council Program (Church, Community, Council, Family or Youth), get involved in an event, head up an activity that is close to your heart, or help us start up a new event that you may have in mind. With as many activities as we put on, I know there is an activity that would be up your alley. We are also looking for Knights to step up and Chair the Council Programs this fraternal year. If you're interested in Chairing a Program, please contact me.

As the Council's Measure Up co-Director this year, I would also like to report that we just completed one of our most successful Measure Up campaigns ever. Brother Knights contributed \$455, our fellow Parishioners donated \$759.10 and we collected \$4037.50 at Morse and Hamilton, for a whopping total of \$5251.60. To those of you who donated, thanks for generosity, and especially thank you to our co-Director Bill Pederson, as well as those of you who helped collect. Your efforts will help improve the lives of those in our community with mental or developmental disabilities.

JULY RADIOTHON

Brother Knights, the 2008-2009 fraternal year was a great and sad year for our Council. We increased our membership significantly and we also lost members as well. May the souls of Tony, Nick, Paul, Vince, and Tim rest in peace and watch out over all the rest of our Council efforts.

We have also unfortunately lost more members due to suspension for non-payment of dues. We are part of the largest fraternal organization in the world and the one with the largest amount of growth. There is no reason that any Catholic gentlemen should ever leave the order. We all should have extreme pride in the good done by our organization including assisting Brother Knights that may need help with their dues.

While we wish all council members could be active in all council activities, we all have very busy lives and families. Being a good Knight means being a good Catholic husband and father first along with paying your dues. Paying your dues on time is the best way to help the council. It saves the council officers and organizers hours of effort that can be directed towards our Fraternal and Charitable activities.

We are in the process of collecting names to order name badges for the council members. If you need a badge please contact me. Also do not forget that the council has blue polo shirts that you can purchase to wear your pride in your council and order.

God bless and make it a wonderful Summer 2009!

Gentlemen,

I hope this newsletter finds you having an enjoyable summer. If you and your family are traveling I bid you safe travels. If you are staying around the area I encourage you and your family to attend some family functions of the church and the Knights of Columbus.

I have caught up on the business side of the Knights of Columbus and everyone that has paid should have their cards. I ask that if any information is incorrect on the cards, it is due to the new member management system the K of C went to this year, to please email me and I will correct it in the system. If you have not paid your dues and you are one year behind the council is still looking for your payment and would appreciate your attention to this bill so that we can continue to support the community. If you are over 2 years behind in dues your name has been submitted to Supreme to be suspended from the order. If it is your intention to continue in the order please contact me ASAP and I can stop this process and work with you to receive payment.

Lastly I want to thank everyone for their patience and support during this first term for me. It was a tough one with the new system in place but we got through it. I look forward to seeing you at future meetings and events. Have a safe and happy rest of the summer.
