Summer is here and at the time of your reading this letter, it will be half over. As I may have written before, summer seems to go more quickly than any other season. Is it because of the sunny days? The free time we make for ourselves? Vacations? The busyness of family reunions or other gatherings? The sense of living outside with nature instead of being inside a house?? Several questions with answers to be determined by you, the reader. Summer is a color of green, unless we have a drought, which makes nature turn brown. The color of green in the church is symbolic of hope. We live in the hope that the new life we received at Baptism will enable us to live in the eternal life with God in heaven. Really thinking about this statement may cause an appreciation of our faith and the gift we have received because we believe that God became man in Jesus Christ, to give us the hope of life after this life. Our belief in that other, eternal life is related to faith and not experience, which makes us a little bit uncertain. We cling to this life because it is the only one we know, especially by experience. If any of you have a chance to lounge in a hammock, chaise lounge, beach towel, picnic blanket, etc, take a few seconds to reflect on the faith that we profess and try to live each day. The reflection may warrant further study, more action, and a greater appreciation of Jesus Christ in our daily lives.

Welcome to a new fraternal year, Brothers. I'd like to thank Dick for his service as GK. I'd also like to congratulate him for being named a District Deputy (and our Council's new DD). I'd also be remiss if I didn't thank Bob Genton for his years of service as Treasurer (he chose not to run for another term) and PGK Mark Steele for his years of service (his term as Trustee has ended). Our other officers this fraternal year are Chaplain Father Jerry, Deputy Grand Knight Mike Kelley, Chancellor Ryan Pederson, Warden Rich Baytosh, Treasurer Al Hannum, Financial Secretary Sean Morrissey, Recorder Ray Drum, Advocate Padmore Agbemabiese, Inside Guard C. Jim Walsh, Outside Guard Jim Walsh, Lecturer Woody Trammell, and Trustees Bill Pederson, Ed Yingling and Dick D'Auteuil.

I want to thank all of you for electing me your new GK. I'm humbled by the faith you've shown in me, and I promise to do my best to make this Council that I love so much the best that it can be. I'm happy to hear from you at any time on any topic. I'm sure some of you are not active because you don't have the time to be, but I'm sure many of you have chosen to not be active, or you were active at one time and choose to no longer be. I'd like to ask that everyone please give us a try (or a 2nd try). The Knights do so many good things for the Parish, for the Catholic Church, for vocations, for charity, etc. and the more guys that are active the more good we can do. I'm excited for the start of what I know will be another great fraternal year and I hope you are, too.

Deputy Grand Knight
Mike Kelley

This is going to be an exciting year and one that I expect to be filled with many activities. Matt is cracking the whip as we are planning and meeting and starting to get busy. In fact it is so busy that I am finding myself writing this article on my laptop while traveling the West Virginia turnpike on my way to vacation (someone else is driving).

I have huge shoes to fill this year as Deputy Grand Knight. Matt Tyack has done so well over the past two years and thanks to him he has left me in very good position by getting most of our program directors in place. I am looking forward to working with all of them and working with all of you to make this a great year. Our focus is going to be on involvement and I am setting one of our goals to becoming a Star Council once again this year, but it will take a lot of involvement from all of you.

Not only are we looking at serving our church and community, but we are looking at planning some fun social activities. We had a brief meeting this week on membership and are considering new things for involvement. Of course, we will have sub sales, pancake breakfasts, fish fries, measure up and our other usual events. We also are looking into having social events such as picnics, clippers outing, card night and others. If you have ideas or suggestions for families or just for the knights, please let me know.

To tag onto GK Matt Tyack's message above I would also ask that you please consider serving on a project team. I know as it has been with me in the years past my service was sporadic. Fortunately, I am now in a position where I can serve. I bet that many of you are too. I am counting on your participation to make this one of the best year's ever.

Thank you all for having confidence in me to fill this role as Deputy Grand Knight. I will do my best to help lead the council forward. May God bless you and your families.

Brothers, we are starting a new fraternal year and I would ask you to review our First Degree and it's commitment to charity. While on vacation in Maine, I was struck by the number of food pantries listed in the local church bulletin. Paula and I have been going to Maine for over 30 years and have never seen the need any greater. And that goes for our local community as well, where the need to help the poor and homeless is unending. There's no need to travel outside of the country, just volunteer with Claudette Herbig or spend some time in McArthur helping those folks. And if you don't want to participate with those groups, there are other ministries in our church community that could use your "charity".

As Grand Knight Matt mentioned in his article, I've taken on a new role for the Knights. I will be the new District Deputy replacing Tom Gault, who did an outstanding job while I was Grand Knight. My role will be to act as the eyes and ears of the State and Supreme Council. I will be responsible for New Albany and 5 other councils including Granville, Heath, Dresden and two in Newark. I also have to make sure that all these councils comply with the rules and regulations of the State and Supreme councils. I'm looking forward to working with these councils and hopefully sharing ideas among the various councils. Last month, I visited the Granville council and mentioned to them how successful our sub sales were and encouraged them to undertake this project. Should be a great year !

Vivat Jesus !

Well Gentlemen a new fraternal year is upon us. This past year I want to thank all who sent your dues in and continue to stay current with the Knights. Those who have not paid your dues please do so. Our membership committee will be trying to contact you in the near future to try to collect your outstanding dues. Remember paying your dues helps our council to give back and support our parish.

I am excited about the year ahead. After having a successful Lent Fish Dinner this past year I hope to only make the future ones better. I hope also this year's parish picnic will be another success. But in order to make events a success I will need support. Please consider when the time comes to help out.

I would like to thank the past administration for all their support and efforts in helping me learn this position and moving it forward with new technology. To the new administration we have still more room for improvement in the coming years. I look forward to working with each and every one of you and am very confident that we will have a successful year.

If you need anything please do not hesitate to contact me.

God Bless!
