Name Tags

We have had many new Knights join our council this fraternal year. The council will provide you with your first name badge. If you want an additional badge or need a replacement you will need to purchase it on your own (reimburse the council for the cost). We get discounts when we order in larger quantities. Please contact Bob Peters (855-7203) or me, if you need a badge. I will try to pool together a list of new members, but it will not hurt for you to double check to be sure that your name is on the list. Please notify us if you do not have a name badge as we would like all members of Council 10941 to have them.

Measure Up Collection

By the time you see this newsletter our collection at church will be completed and the street collection may be near or complete as well. We will be collecting on the corner of Morse and Hamilton roads on May 5, 2007 from 9:00 AM to 3:00 PM. Many of you have volunteered to help that day and for that I thank you many times over. If you are available that day and wish to help for just a little while or would like to see what we are doing please stop by. We have a good time and all would appreciate a break if there are enough guys. Try to come out and help us make our 2007 goal. We will also need to decide what organizations we will be donating our collection too. Matt Tyack has requested that we use some funds for United Cerebral Palsy. We can discuss this more at our upcoming meeting.

Memorial Day

Calling all Fourth Degree Knights! Please come out in your regalia to support the VFW and those who have fallen to preserve America's freedom. We will gather at Maplewood Cemetery on May 28, 2007 at 9:30 AM for the 9:45 AM Ceremony. Most of us will also likely head to Tim Horton's for Coffee and such after the ceremony. Deacon Byron Phillips has graciously agreed to assist with invocation and address for the event. Thank you Deacon Phillips! By the way all are welcome to participate in this beautiful ceremony!

Raffle tickets

Council 10941 turned in 203 Super Cash Bonanza tickets on April 16th, 2007. Unfortunately, we did not reach our designated goal of 216 tickets. Thanks you to all who sold and or purchased tickets. There is still time to sell or buy more tickets. The council keeps a minimum of \$2.40 for every ticket we sell. The state council then awards rebates depending on total sales. There is not any easier way for us to make money for our charitable giving. The drawing is May 25, 2007 at the State Convention. The tickets need to be mailed before that date so please **turn in all tickets and money no later May 13, 2007!** That way we can be sure to get everything turned in on time! My 6 year old daughter just purchased a ticket for herself! Don't some of you feel guilty now for not buying your own ticket! Please try to help your Council and order's charitable efforts!

2007 Ohio State Council Convention

Speaking of the State Convention, it will take place Memorial Day weekend! I have received mailings describing all the details. The committee has worked hard and organized both ladies and children's activities for the weekend as well! Let me elaborate on some of the details:

The convention will be held in downtown Cleveland at the Renaissance Hotel. I have all the rate information. Convention reservations need to be in by April 30th and hotel reservations need to be made by May 17th. We are allowed two voting delegates and you must be at least a Third Degree member to attend the business sessions of the meeting. Delegates get some reimbursement to offset travel expenses. You will need to attend the business sessions to get reimbursed by the State Council. This is also an opportunity to represent the Diocese at the Supreme Convention later in the summer which will be held in Nashville.

It is wonderful to start realizing how many Knights of Columbus there across the state and it is also great to meet more of your brother Knights! I have all the information and will gladly share it with anyone who is interested in attending and representing Council 10941.

State Council Family Campout

The Ohio State Family Campout will be held July 27-29, 2007 in Shreve, Ohio. It sounds like a really great event and this is in its 39th year! I have all the information. Let me know if you are interested in attending!

Council Directors Needed

We will be looking for men to fill the role of Directors in our service program. Please consider helping out with these roles. We need to have men in the following roles: Program Director (Usually the Deputy Grand Knight), Council Director, Church Director, Community Director, Family Director, and Youth Director. I would really like to see us do more Family and Council social activities. We do an outstanding job with our charity work but it would be great to do more socially so we can hopefully attract more men to our council. I will challenge all the directors to institute or re-establish programs to help council 10941 build more Unity and Fraternity!

God Bless Everyone and remember to pray for the Military, the souls of our departed brothers, family members, and all those who have suffered during the many national tragedies of April in years past including the Oklahoma City Bombing, Columbine, and the shooting at Virginia Tech.
